Dear Pastor Adam and all our friends at Calvary Bible Church,

Thank you so much for your generous donation for our single mothers and their families

This month, I would like to share the follow-up and support we are providing to one of our many clients. She has been a faithful client at the FCNB Center for 10 years, consistently and responsibly attending all of her appointments.

Her testimony is that after we had prayed with her for her salvation and for the peace and health of her children, we thanked God together for helping her to be an exemplary mother to her family. God is so good!

This client is a single mother of 4 children who is handling everything by herself. We all know that is not easy, but we are blessed to help her through this difficult time.

She is joyful every time she receives the Word of God from us, and we are also able to support her with gift cards each month.

Additionally, the parenting videos she watches have been a great blessing. They have helped her better understand her children at their different ages, and have given her valuable insight as a parent.

We are also grateful to share that she continues to seek God and faithfully attends church with her children. Praise the Lord!

We continue praying for all of our clients and for all the donors who make this ministry possible. Thank you for everything you do for our community. May God continue to bless you all.

Sincerely,

Yari Gonzalez
Hispanic Peer Counselor
