THANKSGIVING

God truly blessed at our Annual Thanksgiving Dinner this year. This was our 10th year holding the dinner on the Sunday before Thanksgiving. Many of our Troops head home for the holiday and others will have to work on Thanksgiving, so we hold it early so all have a chance to attend. We had at least 20 first time visitors this year! Our family came in to help prepare and serve the meal as well. Best of all, 8 called on Christ for salvation. We already have some scheduled for baptism this month! Thank you to all who gave above and beyond so we could make this day special for our Troops.

LIMA COMPANY

The ministry at Lima Company on Camp Geiger continues to present unique challenges, and yet real blessings. This month I was able to meet with the same Marine two weeks in a row (that is rare at Lima Company). Noah came back last week and had many questions for me. He left with a reading assignment, and we will go over his questions when we meet again. He will be separated from the Corps soon because of an infraction. I have been counseling him to take this setback and use it to create some forward momentum in his life. He already has a job lined up when he returns home and seems intent on following the Lord. Pray for him that he does not let the world distract him again, and that he pursues God fully.

CAMP JOHNSON

I was blessed to preach twice at the Camp Johnson Chapel this month and met a wonderful young couple who have been attending the Chapel. They came to our Thanksgiving dinner and then came to our regular Tuesday night meeting the last week of the month. They impress me with their resolve to follow Christ.

GOODBYES

Molly is our first Coast Guard member to come to the Center. She has only been with us a few months, but in that time, she really got involved with the fellowship. She is leaving for the Middle East on a one-year tour this month. We said goodbye with a coin Ceremony on our last Friday night, although we did get to see her and her mother at our Thanksgiving dinner. We are grateful we were able to get her in touch with a military couple at her destination who have found a good church and fellowship. Pray for Molly!

PREPPING FOR CHRISTMAS

The year is winding down and we are preparing for our final meetings of the year, all of course revolving around Christmas. I will be teaching 5 lessons on Christmas this year, and we will have activities like gingerbread houses and games. We plan as usual to give out gift bags filled with a few necessities and a few fun things as well. This year everyone is getting a copy of Oswald Chambers' "My Utmost For His Highest" devotional. It's not the only devotional out there, but it is the best (in my opinion!)

THANK YOU for your continued support. We could not do what we do without you!
