July 2026

NEW BIBLES

July started with our annual tradition of shutting down the week of the 4th of July as most of our Troops go home for the extended holiday. During that time Patty and I took a break, but still accomplished some projects we have been looking forward to doing. We took a trip down the coast to Myrtle Beach, SC and visited a Bible Store Outlet that just opened up. Using the special gift from a local business we told you about last month, we filled the back of our car with small Bibles to replace our “table” Bibles at the Center, and many full size Bibles and Study Bibles for both men and women. We have already handed out several to our new visitors. The regulars who utilize the table Bibles are thankful for the clearer print in the new editions. We put the used Bibles on a side table and some have taken stacks with them to give to others in their units.

BACK FROM DEPLOYMENT

Though we said goodbye to yet two more of our regulars, one who finished his time with the Corps and another who was PCS'd to the west coast, we welcomed back two regulars who had been deployed since last fall. Jameric and Nate have quickly gotten involved again, and made a point to meet the new Marines and Sailors who have joined us since they left. Also returning this month was Nayely, who I had the honor of leading to the Lord back in 2024 after a Chapel service at Camp Johnson. She had been overseas for more than 10 months. She has also been bringing visitors to the Center.

GREETING NEW VISITORS

One of our newest Marines, Jackson, has not only been faithful to attend every week, but he has also been bringing friends with him every time he comes to the Center. Some of them have become frequent attendees as well. Another blessing is how our “regulars” are engaging the new Marines. More than ever, our faithful, long-term Marines are going out of their way to greet every new visitor and introduce them to their friends at the Center. This has resulted in more and more of the “new” Marines and Sailors feeling not just welcome, but quickly becoming part of the friend group. So many of our regulars are stepping into leadership, determined to bring the lost and those Christians who might have slipped away for a time into strong fellowship... plus they are actively inviting these folks to their churches on the weekend!

ANOTHER TRIP NORTH

In the middle of the month Patty and I, along with our son and Assistant Director Luke, his wife and children travelled back to Maryland for three days to help my Mom by cleaning out some of my Dad's tools from his workshop and other items that needed to be addressed. Since two of our grandchildren were with us, Patty and I had a grand time, as they rode with us up and back! Please keep my mother in your prayers as she adjusts to life without Dad's physical presence.

THANK YOU FOR YOUR CONTINUED SUPPORT! We cannot do what we do without you!
