Passover & Easter

This time last year we were in the middle of COVID lockdowns and unable to celebrate Easter properly with our Troops. I really missed the opportunity to share, as I do every year, the Passover Seder and Lord's Supper teaching I have done every year of my ministry since 2004. This year we had a great and eager group of Marines and Sailors tuned in to every word as for 90 minutes I taught Christ in the Passover. Many of our Marines say it's the highlight of the year for them.

Camp Johnson Update

I was invited by the new Camp Johnson Chaplain to speak at the ELR training conducted for new Marines to the Camp. I met over 50 Marines that day and invited them to both the Center and the Chapel services. Thanks to your faithful prayers, I received word this month that I am the new regularly assigned speaker and coordinator at all Camp Johnson Protestant Chapel services! I received calls from two different Chaplains explaining the situation and was told command staff expressly asked that I handle Easter services. As of May 2, Chapel on the Base has a new start time, 1000 hrs, and the Temporary Chapel will soon undergo renovations at my request. A large curtain to cover the bar (The temporary Chapel is meeting in the old Officers Club), new paint, a proper pulpit has already been delivered, and new signage represents the Camps commitment to helping us rebuild the Chapel services as they have been poorly attended in the past few years. Last week, Patty and I moved chairs, set up a coffee bar, and did some preliminary cleaning. We both sat in the pews afterwards and thanked God. It felt like we were church planters all over again. Pray for many lost souls to visit the Chapel as we start this new ministry!

Travels

This month we got back on the road to Word of Life Chapel in Bainbridge, Pa. WOLC has been a partner with Military Evangelism for decades and we thank God for all our friends there. We also got to travel to Camp Springs Community Church in Clinton, MD to present the ministry. We welcome them as a new supporting church! Thank You Pastor Lowther and all of our new friends at Camp Springs!

Goodbyes

We had a tough coin ceremony this month as Mason (his first name) left the CORPS for Bible College and his wedding this fall. Mason has been with us for over 3 ½ years. We are going to miss him, but look forward to him starting a new life and answering the call to ministry that happened while he was with us!

Fridays at The Center

Friday nights at the Center have been growing steadily. Numbers are not what thrill us. It is seeing scenes like this play out almost every week, as our Troops gather to pray after the Bible Study for their friends, their co-workers, and the lost. God is Good.
