OCTOBER 2025

TRAVEL

We were back on the road this month. October was bookended by two big trips. First up we went up the coast to our good friends at Calvary Bible in New Jersey for their mission's conference. Once again, the congregation sent us home with home-made frozen meals and pantry items to help offset some of our food expense. I preached in both Sunday School and the morning service on personal soul winning. I mentioned how I write the names of those I am privileged to lead to the Lord in the back of my Bible. And I have a new Bible now with no names in it. Well, there is a name in that Bible now! Lisa was visiting the church for only the second time and now her name is not just in the back of my Bible, but in the Lamb's Book of Life!

GEIGER

The ministry at Camp Geiger's Lima Company continues. Pray for a more consistent attendance, as there have been a couple weeks where no one showed up to the Bible Study. I am not discouraged though, as I said before, this is a seed planting only ministry. The Marines there are not in the company for long, so I am not seeing long term fruit. But that's ok. The Lord orchestrated this ministry into existence without any of my input, so I am there for the long haul!

PERSONAL ISSUES

Pray for our guys and gals that attend our center as many are dealing with serious issues in their personal lives. Some are struggling with personal holiness. Others are experiencing severe persecution for their faith in their units. I have had many long conversations recently, trying to be an encouragement. I believe that our study in Philippians these last few months on Tuesday nights has been timely. They need to focus on the good and not the bad (Phil. 4:8,9) and know that they can endure all sorts of personal struggles through Christ (Phil. 4:13)

SHUTDOWN

Pray also for our Marines and Sailors as the government shutdown is starting to hit them hard. It looks like they will all miss a paycheck in the next week or so, and most cannot afford this, as they really do live paycheck to paycheck.

WEDDING

At the end of the month we were able to travel to Gadsden, AL for the wedding of Hannah and Rusty, who met at our Center. They asked me to do the ceremony so that her father, a pastor, could give her away. The next morning, I preached at Midway Baptist (Hannah's Dad's church), who have been supporting the Center for more than a year. It was wonderful to not only officiate, but to meet Hannah and Rusty's family, and to meet the congregation that has invested in the ministry.

PREPPING FOR THANKSGIVING

Pray for us as we start getting everything together for our Thanksgiving Dinner at the Center. It will be Sunday, November 23 at 1:00 pm. We appreciate all who give a little extra so we can make Thanksgiving special for those who can't go home for the holiday.

YEAR END GIVING

An early reminder: Many graciously give special end-of the year offerings every year and it helps us so very much. Please remember that a postmark does not allow us to give a giving receipt. Any year-end gifts must be received in the calendar year in order for our accounting system to generate a receipt for 2025. Thank you for all you do to support Military Evangelism. We can do what we do only because of you!
