Learn how to Share the Sufficient work of Jesus with Catholics (December 10, 2025)

Many of us have dear friends, neighbors, and family members who are Roman Catholic. They believe Jesus is God, respect Scripture, and often have a deep sense of reverence for God — yet they lack the joyful assurance of salvation that comes from the gospel of grace alone, through faith alone, in Christ alone.

That's why we're hosting a special Witnessing Workshop: Reaching Catholics with Grace — a practical, Christ-centered training designed to help you lovingly and clearly share the true gospel with Catholics.

In this workshop, we will:

- Look at the key differences between grace according to Scripture and grace according to Catholic tradition.
- Learn how to make the most of gospel opportunities with Catholics.
- Practice gracious ways to point people to the finished, sufficient work of Jesus.
- Equip you to share the hope of salvation with humility, clarity, and compassion.

Our aim is not to “win arguments” but to win souls — pointing people to the Lamb of God who takes away the sin of the world. Jesus saves fully, freely, and forever. There is no greater gift we can offer than the good news of the finished work of the cross and the empty tomb.

If your heart longs to lovingly reach Catholics with the liberating message of Christ’s completed work, this workshop is for you.

Come be equipped. Come be encouraged. Come be used by God.
