**“See and Share” Israel Mission Trip New Dates of November 3–12
(May 31, 2026)**

Dear Friends and Supporters,

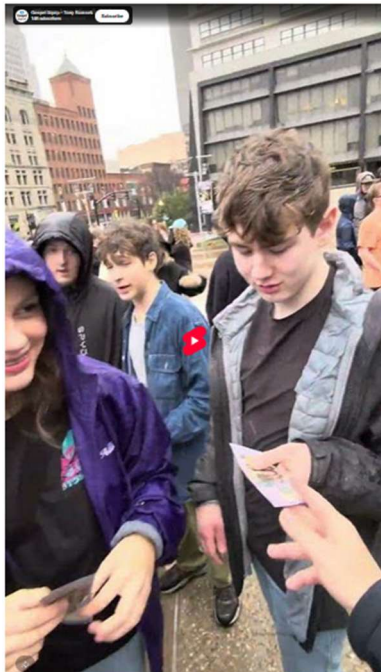

I hope you're doing well. I wanted to take a moment to share some of what the Lord has been doing over the past few months and let you know about a special opportunity coming up later this year.

This November 3–12, we'll be hosting a "[See and Share](#)" mission trip to Israel. Along with visiting many of the places we read about in Scripture, we'll also be sharing the gospel and encouraging believers to live out the Great Commission. If you've ever considered visiting Israel, I would encourage you to pray about joining us to share the gospel in the Holy Land.

Over the last few months, we've had the privilege of seeing God work in many different settings.

March

At Winter Jam in Louisville, we gave out thousands of Christian DVDs and gospel tracts. They were enthusiastically received as seen in this video clip.

During the St. Patrick's Day Parade in Cincinnati, the team gave out hundreds more Christian DVDs and gospel tracts.

At a three-day witnessing workshop in Panama City, FL, we saw the Holy Spirit really moving in the church there to get them on fire for evangelism. The Fields family did a great job of organizing everything. People really loved the truth content and the pastor was pleased. They're going to

continue expanding the evangelism ministry in the church until the whole church culture is bursting with the gospel.

April

Our Christ-centered Messianic Passover Seder was attended by 65 people at our local church. Everyone really enjoyed it, praise God.

At Emmaus Bible College, we trained about 50 students and spent time doing outreach together. Watch this short video for a retelling of this gospel outreach.

I also had the opportunity to preach at Cedar Rapids Bible Chapel and continue teaching through our “Just Men” studies, helping men engage people from different backgrounds and beliefs with both truth and compassion.

At the America 250 Festival in Lawrenceburg, the team engaged many people with the gospel. I had a long talk with a Catholic couple and the young girl ahead of us in line joined in the conversation and also shared the work of Jesus with them. It was really exciting to watch!

May

During Tulip Time outreach, a teenager let me share the whole gospel with him as he was sitting by a tree, praise the Lord.

I also had the privilege of sharing a Mother's Day message at Cedar Rapids Bible Chapel, encouraging families to find their rest and hope in Christ alone.
