## Reaching Jews for Jesus: Biblical Insights and Practical Training (September 15, 2026)

The Jewish people hold a unique place in God's redemptive plan. Through Israel came the covenants, the prophets, the Scriptures, and ultimately the Messiah Himself. Yet today, many Christians feel unsure how to share the gospel with Jewish friends, neighbors, and coworkers in a way that is both biblical and compassionate.

That's why we're excited to invite you to **Reaching Jews for Jesus**, a free four-part webinar series designed to equip believers with a deeper understanding of Jewish evangelism and a greater confidence in proclaiming Christ.

**The webinar will meet on Mondays in October from 8:00-9:00 PM ET (7:00-8:00 PM CT), beginning Monday, October 5.** Sessions will continue each Monday throughout the month, providing practical training, biblical insight, and encouragement for sharing the gospel with Jewish people.

Throughout this series, you'll learn:

- Common Jewish objections to Jesus and how to respond biblically.
- Key Old Testament passages that point to Jesus as the promised Messiah.
- Practical ways to engage Jewish people in gospel conversations with grace and truth.
- How God is saving Jewish people around the world today.

Whether you have Jewish friends in your community, encounter Jewish people in ministry, or simply want to grow in your understanding of God's heart for Israel, this webinar will encourage and equip you to share Christ more effectively.

The Apostle Paul wrote about his zeal for his fellow Israelites, *"My heart's desire and prayer to God for them is that they may be saved"* (Romans 10:1). Join us as we explore how believers can faithfully bring the message of the Messiah to the people through whom God first revealed His promises.
