## **Merry Christmas and Happy New Year!!!**

What an exciting year it has been as a family and in ministry!! Thank you so much for your faithfulness to us and for all the amount of prayers and giving over the course of this year. What a blessing it is to have a State-side team of people surrounding us throughout the highs and lows. Can you believe we celebrated 3 years here in Colombia this past October? It feels like just last month we were in lockdown during the pandemic waiting for the Colombian borders to open back up! We wanted to celebrate this year by doing a video highlight of all that God has done throughout this year. Thank you for being part of it by providing for us financially and making it possible for us to serve the Lord here in Colombia! Please take some time to watch our end of year update video in the link below!!! May the Lord bless you all during the start of this new year!!

In Christ,

The Santafe Family

*Ellie Grace*

Ellie turned two this November and is thriving with the VP shunt. She had a great MRI this year showing no type of shunt or tubing failure. All praise to the Lord for her continual growth and development.

### *Emma and Megan*

Emma turned six in July and Megan turns five in two weeks. They are thriving in homeschool this year. Emma is half way through 1st grade, Megan in Pre-K4, and Ellie enjoying all the sensory play and fine motor activities. This year has had its challenges for sure, but we are very grateful for the opportunity.
