"The Wodomes' News"

Koffi & Elisabeth Wodome,

National Church Planter, Togo, West Africa

Dear Prayer Partners and Financial Supporters,

O come, let us sing unto the Lord: let us make a joyful noise to the rock of our salvation. Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms. For the Lord is a great God, and a great King above all gods. Psalms 95:1-3

As we stepped into the second quarter of the year 2025, we would like to give you an update. First, we thank the Lord for granting us good health during the last three months.

Family News

Joshua and his family are doing well. Our grandchildren, Micaiah and Ellie Grace, are doing well, also. Every week, Macaiah requests to speak to Grandpa and Grandma, especially when he got a new toy to play with and sometimes when he is not feeling well. Elli Grace is growing fast and has started standing by herself. Soon, she will be on the run. Can't wait to see them again. Uncle Sam (Samuel) continues to play the keyboard in the church of Tamanyi and he enjoys it very much.

Ministry News

Alongside leading the ministry weekly, the main goal was to complete phase one of our building projects. Painting and installing fans were the last things we did before March 23. In fact, on March 23rd, 2025, we dedicated the temple to the Lord. When we received the news that Triad Baptist Church is coming on a mission trip, we got ready and did the dedication.

Team Triad arrived on Friday, March 21st. On Saturday March 22nd, we had youth and teens' gathering. The teens from our churches came along with the Team Triad for fellowship. As we waited for their bus to arrive, the GPS took them on a different path and the vehicle got stuck in the sandy path. Fortunately, they were able to get out of there and went back before Koffi found them and brought them to the church of Tamani. We sang a few

songs, had a lot of fun with the carpet ball competition, and the trophy was won by Team Triad because, when it was my turn to play with pastor Jason Schuler, he beat me, and we lost....! It was more fun than a competition and I think that everybody had a good time of fellowship and enjoyed the competition with the carpet ball. Following the game, we went back inside the church and Doctor Solomon, the school headmaster of TBC Christian School, preached and two girls from the church in Agovoudou raised their hands to trust Christ as Lord and Savior.

On Sunday morning, March 23rd we dedicated the temple to the Lord. Five churches came together to celebrate the Lord. Pastor Jason cut the ribbon and preached for us. It was such a wonderful time. Psalm 118:4 says, *"This is the day which the Lord hath made; we will rejoice and be glad in it."* We rejoiced, indeed, as we dedicated the temple to the Lord for worship. And we missed many of you who wished to come but couldn't.

Dear friends and supporters, Elisabeth and I want to take this opportunity to thank you with all our hearts for all you have done by giving generously to make this project happen. Thank you so much and may the Lord bless you abundantly. Thank you, also, for all your prayers.

The well project in honor of Pat Ray is completed. As the village of Ekpui is blessed with this well of 55 meters deep, we would like to thank you all for your donations. We also visited Ekpui on Easter Monday and witnessed a great celebration of Easter by the autochthons. Many of them traveled from nearby countries for this occasion and this happens every year. It will be a good thing to plant a church in the village of Ekpui. Please pray with us about this.

A short video update is on the way.
