Ps 37:4

Dear faithful prayer partners and financial supporters

We greet you in the name of our Lord and Savior Jesus-Christ. Believe it or not, we have come to the end of the third quarter.

Thank you for your faithful support, and prayers on our behalf, thank you for your advice, and for the lovely gift cards you send us regularly on our birthdays and anniversaries.

Family news

The family is doing well. It's always a great joy to have our grandson call or send us a short video saying "hello grandpa, hello grandma we want to talk to you....," It is also a good thing that Natti on the other hand, wants badly to speak ewe fluently so that, the next time they visit Togo, she can understand everything and be able to communicate with anyone.

Samuel also is doing well except that he's just pushing us to get him back in the States and he thinks he should be there so we start praying that maybe the Lord will open a door for us to come to the states sometimes by the end of the next year so we can get him some help in regard to his autism condition, even to get him hook up into real life. I think he is not going to leave us alone until he is satisfied. This reminds me of what Dr. Wilburn, my former pastor told me one day that, God gave as Samuel to teach me how to be patient. And that is true because sometimes, I think the push is too much. Please pray for us as we seek the Lord in making this decision regarding Samuel's future. He is still struggling with autism. And your advice are welcome.

Ministry news

On Sunday August 31st, In the Church of Kove, we had the opportunity to worship with pastor Paul who oversees the church and we baptized 8 new believers. It was a great time of fellowship, agape and the Lord supper.

Monday September 1st – Sunday the 7th was special week for the teens in the church of Tamani. But on Saturday Sept. 6th, we rent a conference room at the "Next Generation Academy", a private Christian school situated in the village of Akepe which offered a perfect get away corner for the teens of our three churches. About 50 teens participated from our three churches. Besides other concerns, we had the opportunity to talk about issues related to love, dating and marriage.

The ladies also had the opportunity to attend the 'Annual Ladies Conference' in one of our IGM churches in the town of Tsevie, about 1 hour north of the capital Lomé.

The church of Agovoudou-Togokome started to use the tricycle as bus ministry to transport people to church. Once again thank you.

Dear prayer partners and supporters, our next outreach site for church planting is the village of Epkui where a well was drilled in honor of Pat Ray. Please pray that the Lord will provide a Land in that village. The cost is \$10,000

Praises and prayer requests

Praise God for a good summer ministry

We would like to equip each of our pastors with a good running computer. Four computers are needed. If you'd like to donate to this need, just specify when you donate. \$2000 is needed.

We continue to work on our building project. Due to some regulation issues, the opening of the school is postponed to next year.

Thank you for your prayers and financial support

Koffi, Elizabeth and Samuel WODOME.

TOGETHER WE REACHED FOR CHRIST
