Family News

Full psychological assessment is complete for Samuel. This assessment was a requirement to have access to therapy and other cares. We now can move forward Please continue to pray for us and especially for Samuel.

We spent the second week of June with Joshua and his family and celebrated Ellie Grace's second birthday. This time was very important for all of us. We Rejoyce seeing our new grandbaby, Peter. And Uncle Samuel got to play a little with his nephews and as he also reconnected with his brother, he was happy.

Ministry Updates

This year heavy rains have produced flooding in many areas of Togo , but the teens were able to get together in the church of Agovoudou. Pastor Cesar gave an update on our youth group's get together on May 25, 2026, in Agovoudou.

"The teens braved the rain to attend the event; we experienced a delay due to the down-pour. We began around 11:30 AM with prayers and praises. Then the group went through the streets to the sound of drums and songs glorifying the Lord, eventually arriving at the Agovoudou football field. There, two games took place: the boys from Tamanyi defeated Agovoudou 6-2, while the girls from Agovoudou prevailed over Tamanyi 2-0. All of this unfolded under the curious gaze of residents, accompanied throughout by religious songs. The commentator shared a message of repentance and invited the gathered audience to make the choice that leads to redemption.

After the games, a break for refreshments was held at the church, which was followed by an encouragement from the word of God.

A message drawn from the Book of Joshua 1:9 on the theme of Courage exhorted the youth to resolve to say "no" to bad advice from schoolmates and neighborhood friends, thereby avoiding drugs, tobacco, alcohol, and sexual immorality; Say "no" respectfully to close relatives and family members regarding spiritual practices or forms of worship that run contrary to Christian values; Say "no" to sin and flee from it;

- And to strengthen themselves in the Word of God and through prayer, for the God of all circumstances—the Lord—is with the youth, and they are not alone."

Ps 37:4

May God grants us the strength and courage to face life's difficulties, as well as the means to carry out these activities, so that we may keep our youth grounded in the Christian life as much of the time as possible. It is amazing to see the true character of a disciple of Christ, not only to get together to fellowship, but also to take the opportunity to preach the gospel.

School year ends well with good results. All our orphans either move to upper class or have successfully pass their middle school exams and high school diplomas.

August 3-9 is the children's week (semaine des enfants). VBS is from the 5th -9 and the children's day will be on august 9. Please pray for our children's ministry.

This year the teens of the churches will go to Kpalime, 2 hours away from town for renewal and evangelism on August 22.

Construction will resume for second flore in the church of Tamanyi next week.

Funds have come in for the leader's computers and the generator for the church of Tamanyi we are so grateful to God and to all our donors who gave. The generator fund is still short of \$500.

Please continue also to pray for the land project in the village of Ekpui where a well was drilled

Our SUV needs a new transmission and the cost is \$4000
