

Lord willing the saying goes. Whether we are wise enough to realize it or not, this is how all of life needs to be lived. Plans made, but then humbly submitted to the will of God. I am away this week, but he has asked me to share with you what we believe are the right plans for NCFE to be making and pursuing in 2018 because we see them to be truly reflective of God's will for our church family. And how can we dare say this is *God's will* for NCFE? Because these plans and purposes come to us straight from God's Word! Join with me today in carefully listening to God's Word so that we can most definitely be living God's will.
