

MOPS

## WELLNESS POLICY

It is our goal to keep your child safe, happy, and healthy while in our care. In order to protect the health of the children in our care, MOPS Kids has developed a wellness policy. A child exhibiting any of the following symptoms, or appears to be unwell, will not be admitted to their class. By adhering to this policy, we are ensuring that sick children get the care they need at home and that the children in our classrooms remain well.

### Symptoms:

Please do not check your child into class if he or she is currently experiencing any of the following symptoms, or has had these symptoms **within the past 48 hours**:

- **Fever of 99.6** or greater
- Pale/Flushed skin color
- Diarrhea, vomiting, complaints of a stomach ache
- Watery/red eyes
- Pink eye or other eye infections
- Persistent and/or productive cough, Sore throat
- Excessive sneezing
- Stuffy/runny nose (yellow, green)
- Any unexplainable rash
- Extreme fatigue/lethargy
- Any symptoms of common childhood diseases, such as chicken pox, strep throat, hand foot and mouth, head lice, pertussis, etc.

Here are a few more details to be aware of:

### Recent Illness:

Children who have been ill **within the past 3 days** need to have had **at least 48 hours** of non-medicated recuperation time before coming to class.

### No Symptoms:

A child who complains of not feeling well needs to remain with their parent, even if no symptoms are present.

### Open Cuts and Sores:

Please have all open wounds covered with a bandage.
