

Counseling and Community Resource Opportunities

For Scriptural counseling our Senior Pastor, and members of our Staff and Elder Board, would all love to support you. If you have a temporary financial or material need, please speak with one of these individuals; or visit our food pantry (fourth Wednesday of every month from 10am – 12pm). For more extensive therapy or financial needs we have listed some community based resources below. If you have questions and would like to talk with someone confidentially on how to access them, we have clinically licensed counselors within our body who can encourage you as you get started.

We also offer immediate and in-person prayer support on Sunday mornings! If you have an emotional or physical need that you would like prayer for, please join us up front after the morning worship service and we would be honored to bring your matter before the Lord with you! God bless!
