MOTION Conference Community Groups are designed to connect and engage students in life-giving relationships and lead them to dig deeper into the truths shared during main sessions. Community Groups provide the opportunity for the bigger main sessions to become small and more personal. Through Community Groups, students will be motivated, encouraged, and equipped to live their lives in MOTION.

Community Groups are divided by age (Junior High, High School, College) and are facilitated by a Community Group leader, an incredible pastor from the MOTION team. Your Community Group will be indicated by the color of your wristband.
