The Word studies are based on daily homework and Scriptural studies. This aspect of study is derived from the command to Kings in Deuteronomy 17:18

"When he takes the throne of his kingdom, he is to write for himself on a scroll a copy of this law, taken from that of the priests, who are Levites. It is to be with him, and he is to read it all the days of his life so that he may learn to revere the Lord his God and follow carefully all the words of this law and these decrees."

The spirit filled studies are designed to train up individuals in the applied methods of prophetic ministry. Students will experience biblical truths through the actual application and practice of spirit filled ministry.
