Mosaic Church of Bellingham

May 2018

Staff & Volunteer Agreement and Adherence Contract

It is our desire at Mosaic Church of Bellingham, WA, that our community be a safe place for all who join us. We value each and every person and want them to have confidence that our events and gatherings are safe places. We believe this is the heart of God and that just as Jesus did while on earth, it is our desire to stand up for the children, the weak, the oppressed and anyone that could be subject to a power differential. Therefore, we all agree to practice these behaviors within our own lives and within our community.

STATEMENT OF AGREEMENT AND ADHERENCE:

Having read and understood the "Abuse Awareness, Prevention, and Response Policy" of Mosaic Church of Bellingham, WA dated May 2018, I do hereby agree to adhere to the policies and follow the practices as outlined in the document.
