General Information about Zona Camp

Total Cost

Total camp cost is \$349 per person (students and leaders).

Length of Camp

Camp begins with dinner on Sunday and concludes with breakfast on Friday. Registration will begin at 4:00 p.m. on Sunday.

Free Day

If your group would like to go to the beach or somewhere else in California for a fun day, camp will conclude with breakfast on Friday.

Age Requirement of Campers

Entering seventh grade fall of 2019 (completed 6th grade) through newly graduated seniors in high school.

Leaders

Leaders must be at least 21 years of age. Please bring at least one leader per eight students. The church is responsible for selecting responsible and spiritually mature leaders, who have passed a background check within the last 3 years. These leaders will be responsible for leading nightly church devotions, participating in recreation and worship activities, assisting their youth in matters of discipline, dress, curfew, and spiritual matters.

Health Form, and Release Form, and Biola Release Form

Each student and leader must fill out all three forms. It is MANDATORY that these forms are brought to camp at check-in. No student or leader will be permitted to stay at camp without completed Health, Release, and Waiver forms. **Please have them separated into three separate stacks at Registration.**

Experience Choices

Zona Camp has four Experiences for students to choose from. Experience schedule will be from after Morning Celebration until mid-afternoon. Below are the Experiences to choose from.

- ❖ ***Impact*** is for students who are ready for the next level in discipleship with a focus on worldview. (Must be in High School for this Experience Choice). There are three groups within Impact. Impact 1.0 for newcomers, Impact 2.0 for those who have completed 1.0, and Impact 3.0 for those who have completed 2.0. This experience joins the Zona Experience after lunch.
- ❖ ***Worship Catalyst*** meets the unique needs of musicians, singers, actors, and technologists helping them become great worship leaders. Students must already know how to play their instrument, and guitar players (acoustic, electric, and bass) must bring their instruments with them (we provide drums). This experience returns to their experience classes after lunch.
- ❖ ***Zona*** experience is a high energy opportunity where students will enjoy small group bible studies mixed with a wide variety of classes and activities that they choose.
- ❖ ***Mission Life*** is an on and off-campus mission experience for those students looking for a hands-on experience to serve others. An adult leader with sufficient transportation and a Mission Life form required if anyone in your group chooses this Experience.
