---

We here at Zona Camp are excited and grateful that you have students and adults that want to get their hands dirty and work with Mission Life at Zona this upcoming summer. In order for your group to participate in Mission Life we ask that you are able to provide transportation, proof of vehicle insurance, and have at least one adult (see ratio below) per church group. If you do not have transportation, please know that Zona will work hard to find a church that could partner with you and help with transportation.

Church: \_\_\_\_\_ Youth Pastor/Pastor's Name: \_\_\_\_\_

Contact Phone: (\_\_\_\_\_) \_\_\_\_ - \_\_\_\_\_ Email: \_\_\_\_\_@\_\_\_\_\_.com/net/org

## **More information...**

### **Do I need to have my own transportation during the week?**

Yes. You will definitely need transportation to and from mission sites

### **What else do I need to provide?**

We also encourage students to bring working gloves, and clothes that can get dirty. Tools, supplies, lunches, will be provided by Zona Camp.

### **What is the adult to student ratio?**

We request one adult from your church for every eight students that signup for Mission Life.

### **What is the difference between Zona Life and Mission Life?**

The main difference is how groups spend their late morning and early afternoon time. At Mission Life, we will assign your church to a work site for the day.

After morning worship, Zona sends sack lunches with your group as you leave for your work site. Possible assignments could include working behind the scenes, doing manual labor, community outreach, and working with children or senior adults. At Zona Life, students will participate in Master Teacher studies, lunch, classes, and recreation all on campus.

### **Can my whole group attend Mission Life?**

Yes, keeping in mind that you are able to provide transportation and adults for your entire group. We will do our best to make sure that your entire group stays together, however most of your worksites can only handle 15-30 people at a time.

### **What is the Mission Life schedule?**

- 09:45am - Assemble in mission groups, depart Zona Camp
  - 10:00am-1:30pm - On mission (including a break for lunch)
  - 1:45pm - Depart mission site
  - 02:00pm - Students arrive in M-Track room for testimonies, Bible study, and attendance.
  - 02:45pm - Dismiss to optional free-time activities
- \*times may vary depending on mission location.
