

Background Check Form

(Due April 1, 2018)

Thank you for choosing Zona Camp! Our Zona Team wants you to know that it is our goal to provide a safe, fun, and God honoring environment for your students, and we need your help. At Zona, with safety in mind, each church is required to complete this Statement of Compliance. You will note as you read the document that the Zona Team is asking that each church verify they have performed a background search on every adult attending camp, including the church's pastoral staff. Background checks are valid for three years. This form must be submitted for your registration to be completed. Thank you for helping us to provide a safe and healthy climate for our students.

Blessings, Eddy Pearson, Evangelism & Discipleship Facilitator, AZSBC

Statement of Compliance:

The volunteering Adult Sponsors (including Church Staff) named below are known to the staff or recognized leadership of the participating church and the church knows of no reason why any should not serve as a sponsor for children and youth under the age of eighteen (18). The church confirms that it has taken reasonable steps to confirm that the individuals are not registered sex offenders by making inquiries to law enforcement officials or by checking www.nsopw.gov (the National Sex Offender Public Website).

In addition, participating church warrants that it has used _____ company to perform a nationwide criminal background check on all Adult Sponsors, and that all Adult Sponsors have cleared those background checks. A background check is the process of looking up and compiling criminal records, commercial records and/or financial records of an individual. A criminal record history background check may include a search of county, state and federal court records for felony and misdemeanor records. The background check ordered also may include a search of sex offender registries or a state's department of motor vehicles records.

The participating church also warrants it has brought no Adult Sponsor not listed on this form.

Here are links to two sites that handle background checks:

Protect My Ministry:

Other reputable companies are acceptable to use for background checks.

By signing this form you are stating that you have checked all listed adult sponsors with the national sex offender public website, ran a background check on each adult listed, and that the background checks for these adults have cleared. If you have questions regarding an individual report, feel free to contact the Arizona Southern Baptist Convention.
