## MAINTENANCE / HOUSEKEEPING

Fancy yourself a handyman or handywoman? If you have an eye for details, as well as a willingness to problem solve when things are broken, we could use you on our maintenance team! If your mantra is “A place for everything and everything in its place”, then you would be an asset to our housekeeping team! Keeping the environment at Elevate clean and tidy is important to us, as we want people’s focus to be on hearing about Jesus...rather than on dust bunnies in the corner!

## RESPONSIBILITIES

Volunteering in maintenance is on an as-needed basis. Duties for housekeeping would include sweeping, wiping down surfaces, dusting, etc. If either of these positions sound like an area of interest to you, please fill out the back of this volunteer card, and we will be in touch soon!
