WORSHIP

Leading worship through music is a vital part of what we do at Elevate. If you are musically-inclined and willing to use those talents to lead others in worship, we want you to get involved with our worship team! We are always looking to add vocalists and/or musicians to our rotation. We have optional Wednesday evening practices and monthly Saturday practices where all musicians are encouraged to attend.

RESPONSIBILITIES

We ask that you be available to serve 1-2 Sundays a month. You will be expected to arrive at least 2 hours before the service starts for sound check and practice. If this sounds like an area of interest to you, please fill out the back of this volunteer card, and we will be in touch soon!
