

OUR CURRICULUM

The curriculum offered at Upwards Preschool focuses on developmentally appropriate play-based learning. Children get to experience lessons that include:

- ◆ Worship & Bible Time
- ◆ Music, Movement & Sensory Exploration
- ◆ Literacy & Academic Enrichment Centers
- ◆ Pretend Play, Art & Outdoor Play
- ◆ ABC Jesus Loves Me curriculum

Each class has individualized learning activities planned by your child's teacher that compliment what is being taught in the church classrooms on Sundays! This allows students the consistency of reinforced ideas that bring the truths of the Bible into daily life for your family.

Preschool settings are a special place where one's character and knowledge is enhanced. It's also where most children meet new friends and grow relationally. We would love to experience spending time with your child(ren) watching them grow in faith, love, confidence, independence, and community.

In May of 2023, I received my Bachelor Degree in Christian Studies & minor in Children's Ministry from Southwestern Seminary. I have served in children's ministry from the age of 12, worked in a licensed preschool for 5 years, and been a Preschool Director since 2023. My heart and passion is to teach children the love of Jesus. I believe real faith begins with an understanding of who God is and how much He loves us. I am committed to teaching and loving children, to help them to know, love, and serve God.

Our program is faith-based and gives children enriching opportunities to develop the whole self. We focus on learning through child-directed play and a biblical curriculum time.

We believe that balance of play and preschool enhances developmental growth. This is achieved in a safe, loving, Christian environment, with teachers who are dedicated to enriching children's lives.
