ADOPTION APPLICATION

The following information is requested to help us determine if the adoption is in the animal's best interest. This information will also help us assist you with finding an animal most compatible with your lifestyle and family members, including current pets.

Considerations:

- In order to adopt a pet, you are required to come to our facility to meet the animal and complete the adoption process.
- The dogs and cats at Teddy's come from a variety of situations. Many animals have an unknown history. Time, patience and consistency are all required to help the animal you are adopting adjust to his or her new home.
- A pet can be up to an 18-year commitment and will cost \$300 - \$600 per year in veterinary care.
- This pet should be considered as a family member. They depend on a responsible person.

THIS IS A LIFETIME COMMITMENT.
