the FARRAGUT *family*

LOVE GOD, LOVE PEOPLE, SERVE ALL

We **need** Farragut Christian participants who would be willing to pass out candy from your car trunk. Decorating and having games to play is fun, but not essential to participate. This is a great outreach option for your family, friend group, small group, or Sunday School class to participate in together! Reserving your spot with the QR code below is to only give me an idea of how many spots to reserve, but, it is NOT mandatory to participate! We can always open up more spots.

We look forward to this event because we get a lot of families from the community who enjoy our safe Trunk or Treat option and hot dog dinner!

Reserve your parking spot TODAY:

Preview And Pie Event Update

When our children would go on a youth group trip, whether that was a mission trip, retreat or church camp, we knew that when we picked them up that we would need to clear some time on our schedules to reconnect. It never failed that both Gabe & Ainsley would want to tell us about the whole trip. Sometimes the story would be told by big events on the trip while other times it would be told in a more linear fashion of day by day. The point is that we had been apart and we needed to reconnect.

Connection is a big deal, Shannon and I know this is important in our marriage. Each evening we attempt to connect about our day, whether that is a walk and discussion or tv-off-and-phone-down discussion about our day. When we have days that we can't connect because of meetings or events that keep us busy until bed time there is something missing. We know that marriages that struggle, can struggle, because of a lack of connection and so as soon as we can, we try to reconnect.

Preview And Pie Event Update Continued

(Continued from page 3)

What is true in families is also true in the church. Last month we had our Preview and Pie night. It is a night where we reconnect as a church and discuss where we are as a church family. We also discuss small groups and service opportunities where we can connect in the future as well. If you weren't able to be there. Let me review very briefly so you can reconnect with us.

At the event we started by discussing things we have accomplished in 2025. We mentioned things for our building and grounds like sound panels, foyer refresh and parking lot fixes. We also discussed things within the church such as interns, VBS, Camps, Prom of the Stars, Food Pantry, Sr. Meals, Newborns in Need, Sower Sewing Ministry and prayer ministry.

We discussed church finances through July: General Fund - \$238,858.91, Missions - \$70,732.25, Cash Reserve - \$10,282.54, Building - \$224,237.00. General Fund Giving is at 101% of Budget, General Fund Spending is at 102% of Budget.

And we discussed our attendance through July: Year average - 311, Sanctuary - 249, Kids - 60.

We also looked at opportunities to connect going forward. We mentioned all of our small groups (Sunday evening, Wednesday afternoon and evening, men's groups, women's groups, and Sunday school). We also discussed a big Christmas project that will be coming up the second Sunday of December.

Connection is a good thing, it helps us stay healthy as a church. We hope you will connect or reconnect with us this fall!
