

Update from Poland!

RESIDENCY PROGRAM – SPRING 2026

Hi everyone! The past three months have been filled with so many great things! Helping out with my areas of ministry, different events, and some nice weather! During this time, God has continued to show me that wherever I am, He will continue to be with me.

Highlights from March to May

- At the beginning of March we had around 200 women attend our Women's Conference. Around 80 of them live in other areas of Poland who do not go to our Church.
- The weekend before Easter we had around 5,150 people attend our Easter play that is called Road to Jerusalem. It was really neat to experience it and my sister was there to participate!
- It was a blessing to have my sister here for a week! After participating in Road to Jerusalem, we went to Vienna, Austria.
- In April Southeast Worship from Louisville, KY came to partner with Proem's Christian band, Exodus 15, and they led worship nights in Tomaszów Mazowiecki, Kraków, and Poznań. They also visited three jails in Poland and led worship for prisoners.
- At the beginning of May, we had a long weekend in May for Poland's Labor Day and Independence Day. We invited families and young adults to our camp for a relaxing weekend filled with activities and rest. We had great weather!

PRAISES & WAYS TO PRAY

- Praise for the relationships that I have been able to create with our youth. I have been playing volleyball with the Ukrainian kids and it has been a blessing to see them continue to grow in their relationship with God.
- Praising God for my time here. I am very thankful that I have been able to spend a year here learning more about the Bible and being in community with those around me.
- At the end of the month, I will be going to Ukraine to help lead a camp for Roma Gypsy kids. There will be around 10 of us who are going and there will be around 40 kids. Pray for safety and protection over us. As well as pray for the kids who will be there.
- Continue to pray for the war in Ukraine.
- Summer camp starts in the middle of June. Pray for our team as we prepare for camp. Pray for the kids who will be coming.
- This summer there are 3 groups of people from our Church that are going on missions trips. We will be going to Ukraine, Tajikistan, and Zimbabwe. Pray for all 3 groups. Pray for each location and the people that are there. Tajikistan is a Muslim country in Central Asia. Pray for safety, that hearts will be open, and for support raising.

"The Lord is near to all who call on him, to all who call on him in truth."
Psalm 145:18
