

## **Weekly Opportunitites**

*Sunday Morning - 9:45am-10:45am*

Our Sunday Morning Small Groups meet by gender and grades and we spend our time engaged in interactive activities designed for memorizing scripture passages, prayer, bible storying and practicing spiritual disciplines.

*Sunday Night - 6pm-7pm*

On Sunday Nights we meet in small groups in homes for intentional adult discipleship and mentorship through a variety of studies that last anywhere from 4-8 weeks. At the conclusion of each group of studies, we do a service project in our local community.

*Wednesday Night - 5:30pm-7pm*

On Wednesday night we eat, fellowship and play games. Then we have a great corporate worship service with our Student Worship Leader and a time of pouring in depth into God's word and how it affects our everyday lives.
