DEAD, BURIED, RAISED

Baptism answers the "So What?" of Easter by showing how Jesus' death, burial, and resurrection become personal in the life of the believer. Through baptism, we publicly declare that our old life has died with Christ and that we have been raised to walk in new life through His resurrection. Baptism also marks our entry into the family of God and our ongoing call to live by the power of the Holy Spirit. This message invites believers to consider whether they have taken this step of obedience and to live fully in the hope baptism proclaims.
