Our Mission

To glorify God by making
"More and Better Disciples"

Our Vision

We see everyone intentionally building caring relationships with one another, and with the unchurched and unbelieving, for the sake of the Kingdom of God

We believe that the Bible is the infallible and authoritative word of God. (2 Tim. 3:16)

We believe God created the world; the world fell into sin; God redeemed and is redeeming the world. We believe that Jesus Christ saves us from the consequences of sin and that the world will be complete when He comes again.

We believe God is a God of Grace. His grace, not human decision is the decisive factor in our salvation. Believers do not choose God as much as God chooses believers. (Titus 3:4-7)

We believe that covenant is the richest biblical concept to describe God's relationship with His people. In covenant God binds himself to His people in promise and commitment. Covenant relationship is why God sent Jesus, because of a commitment to save His people. (Jer. 31:31-34)

We believe in God's sovereignty. God is the main actor in creation. He is ultimately in control. So despite a world we humans have broken with sin, ultimately God's plans will triumph and all will be made new. (Jer. 29:12 & Rom. 8:28)

SERMON GUIDE CHURCH DISCIPLINE

1 Corinthians 5:1-13

A. John Calvin gave three reasons for maintaining church discipline...

1. Those who lead filthy and infamous lives should not be called Christians because the church is the _____ and cannot be corrupted by sinful members without disgrace falling upon the head of the church - Christ.

2. The _____ must not be corrupted by the company of the _____.

3. Those who are in _____ sin might be overcome by shame for their baseness and begin to _____.

B. Church discipline is not the act of _____ someone out of the church. Rather, the church is recognizing that the unrepentant sinner _____ a member of the body of Christ, the communion of the saints.

C. God uses church discipline to _____ people into the church.

FAMILY AND FRIENDS CONFAB

1. What discipline have you received? Are you glad you were disciplined? Why or why not?
2. What should to church do proactively to prevent instances of church discipline?
