Prayer Requests

Church Family

David Danielson - Dave will be having back surgery this Tuesday, September 30th. Anticipated recovery time is 3 months. Please pray that the surgery and recovery go well.

Ginger Hernandez - Pain from her bruised rib has subsided, thank you for your prayers.

Jimmy Holden - Jimmy's leg x-rays show there is a fracture through the right femoral head with partial collapse of the femoral head likely due to avascular necrosis (a condition where blood supply to the bone was cut off, causing bone death and collapse). There are also 3 bone infarcts (avascular necrosis) around the right knee in the femur and tibia. Please pray for wisdom and guidance for the Stanford Orthopedic team as they attempt to configure a surgical treatment plan.

Steven Koelewyn - Please continue to pray for Steven as he struggles with Valley Fever. Pray for God's guidance in this process and for healing.

Vera Krumpe - Please continue to pray for good health.

Francisco Macias - Please pray that Francisco continues to heal from his injuries and is able to find employment.

Shut-Ins: Martha Chandler, Rose DeRuiter, Janet Henshaw, Ginger Hernandez, Harriet Johnson, Dave & Vera Krumpe, Marilyn Maccagno, Linda Reenders, Grace Schraa, Jeanette Stout.

Extended Church Family.

Rachel Bradley - (Bob & Jennifer Koelewyn's neighbor) Rachel was just diagnosed with Stage 3 malignant melanoma on her eyebrow. She is scheduled for surgery at UCSF on October 15th. Pray that it doesn't go deep. She and her husband, Cody, have three children; the youngest son is about 2, a daughter in 1st grade at HCS, and a son at Fresno State.

Bob Carvalho - (Linda Carvalho's husband) Continue to pray for Bob and Linda as Bob is now in hospice care.

Michael Cuellar - (Esther Scheeringa's brother). He had his PET scan and is awaiting the results. Please pray for peace for the family as they await the results, and that the results are good.

Chuck Dyer - (Michelle's husband, Esther Scheeringa's grandchildren's stepfather) Continue to pray for his appetite and for better health. They appreciate your prayers.

Betty Johnson (Diana Schmidt's mom) Please continue to pray for Betty as her cancer has returned. Remember her family also in your prayers.

Rick Stryd - (nephew of Jake Stryd) Rick had very encouraging news after his last MRI. The tumor on his adrenal gland is drying up and no surgery is required. Thank you all for your prayers!

Elizabeth Young - (Esther Scheeringa's niece) She has been diagnosed with Stage 4 pancreatic cancer and has begun chemotherapy treatments. Pray for the doctors and people involved with her treatment. Give her the strength she needs to withstand the therapy. May God heal her and be with Esther as she supports her niece.

Library Update

Greetings from your library! We have two NEW books to complete the Lake City Heroes series by Lynette Eason. I also have books to encourage you in your faith walk and be prepared to share the Gospel with your neighbors and non-believers.

Lake City Heroes series by Lynette Eason:

#3: Serial Burn: Jesslyn McCormick, the fire marshal of Lake City, is determined to find the person who started the fire that robbed her of her family when she was just seven years old. As the twentieth anniversary of the tragedy approaches, a string of fires--including at Jesslyn's church--brings up all those old feelings and offers new evidence.

#4: Final Approach: FBI Special Agent Andrew Ross and Air Marshal Kristine Duncan thwarts an attempted hijack of the plane they are on. But as the investigation into the incident gets underway, Kristine and Andrew are confused at every step. Nothing about the investigation goes as it should, and each layer they peel back just reveals another layer of perplexity.

The Case for Faith by Lee Strobel: In The Case for Faith, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God--the eight "heart barriers" to faith. This bestselling book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt.

The Resurrection Factor by Josh McDowell: Does the historical evidence support the resurrection of Jesus Christ? Can the resurrection be proven beyond any reasonable

doubt? Josh McDowell spent hundreds of hours over 13 years combing the annals of history. He presents comprehensive and compelling evidence to answer those questions. Jesus: A Biblical Defense of His Deity by Josh McDowell & Bart Larson: History is filled with men who have claimed they came from God, that they were God, or that they bore messages from God. In all of history, only One could prove that He came from God; that He was God; and as God He bore messages from God. This book is a fascinating and captivating insight into the life and person of Jesus Christ and offers proof-positive evidence that Jesus Christ was—and is—who He claimed to be.
