## **Sermon Guide**

March 19, 2023 A Fond Farewell John 17:6-19

Life Group Theme: First Thing First: in our lives and in our worship, God should be the ultimate and only priority.

**Theme:** God sets us aside for service and fellowship.

1. The world is that which has rebelled against God, chosen darkness rather than light, and <u>organized</u> itself to <u>oppose</u> the creator.

2. The Greek word, hagios (translated as holy, sanctify, and consecrate), refers to a quality possessed by things or persons that can approach God and are separated from the world for His service.

3. When we worship God He brings us out of the world and into His presence as one.
