Prayer Requests

Pray for healing, patience, endurance, and comfort
as they face ongoing tests and treatments.
Pray for their doctors to discern and administer the best treatments.

Ginger Hernandez - Pray for Ginger as she follows the doctor's prescribed diet in preparation for surgery.

Nancy Hird - Nancy is waiting to schedule back surgery via kyphoplasty. Pray for a successful surgery and a rapid recovery.

Jimmy Holden - Jimmy's leg x-rays show there is a fracture through the right femoral head with partial collapse of the femoral head likely due to avascular necrosis (a condition where blood supply to the bone was cut off, causing bone death and collapse). There are also 3 bone infarcts (avascular necrosis) around the

right knee in the femur and tibia. Pray for wisdom and guidance for the Stanford Orthopedic team as they attempt to configure a surgical treatment plan.

Steven Koelewyn - Continue to pray for Steven as he struggles with Valley Fever. Pray for God's guidance in this process and for healing.

Francisco Macias - Pray that Francisco continues to heal from his injuries and is able to find employment.

Becky Villalobos - We praise the Lord that Becky is recovering and feeling better. Pray for complete healing.

Rachelle Riggs - (Marilyn Maccagno's daughter) Her cancer has returned and is in her lymph nodes. She's currently undergoing chemo and radiation treatment.
