Greetings from the library! I am including a variety of books for your reading pleasure. Kids! With school started you might want to take advantage of your church library. I am including some biographies this time, but we have other series you might like.

On the Way to the Future: Daniel's Visions and **The Believer's Hope** by Ray C. Stedman: In "On the Way to the Future", trusted Bible teacher Ray C. Essential Truths of the Christian Faith by R.C. Sproul. Dr. R. C. Sproul, author of "The Holiness of God", takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines. He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth, which is foundational to maturity in Christ. Essential Truths of the Christian Faith answers the critical questions of both new believers and longtime followers of Jesus, providing a strong foundation for a resilient spiritual life.
