

We're now building **teams** to help with the move. Check out the listings below and let us know what area(s) you can jump in and help with. You can sign up through our app or over at [www.atlantachristianchurch.org/new-location](http://www.atlantachristianchurch.org/new-location).

### **DURING THE MOVE**

These tasks will take place during the weeks between **April 22-May 11**. See *Schedule* for more details on projected dates and times.

#### **Cleaning**

These teams will come in after renovations are complete to help get the building cleaned and ready for move-in.

#### **Renovation**

We have a number of projects taking place inside the building and will need people who can do things with hammers and nails and drywall and such!

#### **Landscaping**

If you can roll out sod, plant shrubs, work a small tractor, and more, this team is for you.

#### **Moving Day**

Once the building is ready for move-in, we'll need people to help with the actual move of all our equipment, the old "Ryder Moving Truck" kind of thing.

#### **Open House**

We're hosting a two-hour open house on Saturday, May 11, for both our church family and for the neighborhood of Home Park. We'll need people to help set up coffee and light snacks, give building tours to guests, take pictures, and more.

### **AFTER THE MOVE**

We are building **new** teams to meet a number of new needs!

#### **Parking**

Volunteers needed in both the lot itself, and on the street level to help with sidewalk parking.

#### **Host Team**

With more entrances and hallways, our current Host Team will need to grow. If you can smile and help people find their way around the building, this one is for you!

#### **Hospitality**

We're opening up a café in the new building, and we'll need people to make coffee, set out donuts and bagels, arrange mugs, etc.

#### **Audio-Visual**

Our sound system will be back in business, and we'll need volunteers to lead the way in creating good sound in the room.

#### **Kids Ministry**

Additional volunteers to help with growth in all age groups from infants through elementary.

### **PROJECTED SCHEDULE**

April 21	Final Sunday downtown
April 27/28	Workdays (Sat. & Sun.)
May 4/5	Volunteer Team Training & Orientation (Sat.), workday (Sat. & Sun.)
