

Christ United Methodist Church

The Larimer County Health Department may require that any open business that has an outbreak at their facility of 2 or more employees close for 72 hours for disinfection and detailed contact tracing to minimize risk in the community.

Building User agrees that, until expressly advised otherwise, it will operate consistent with the following protocols regarding the protection of its attendees, Christ United Methodist Church's (CUMC) staff, members, and guests, and the general public from the spread of COVID-19:

1. Attendees must be free from COVID-19 symptoms for at least 72 hours prior to entering CUMC. Symptoms include fever of 100.4° F or higher, dry cough, shortness of breath, chills, loss of taste or smell, sore throat, or muscle aches, or any other symptom identified by the CDC as associated with COVID-19.
2. Attendees must use hand sanitizer and/or follow safe handwashing procedures, immediately upon entering CUMC's premises. CUMC will provide sanitizing stations in the church entry. Alcohol free sanitizer will also be provided by CUMC in smaller foam dispensing pumps.
3. Attendees shall maintain social distancing:
 - a. Seating is 6 feet apart. Rooms will have maximum occupancy guidelines posted. Couches are limited to one individual or members of the same household. Seats must remain in the location designated by the marking in the room.
 - b. Arrange with church office staff for overflow space if needed to follow occupancy guidelines.
 - c. Maintain 6 feet distancing as attendees arrive and depart meetings/event.
 - d. Attendees are encouraged to use alternate non-contact greetings instead of handshakes and hugs.
4. Attendees shall wear a mask or face covering upon entering and during meetings/sessions/events. Groups/events shall provide their own cloth or disposable masks.
5. Building Users shall not serve food and shall encourage attendees to bring their own beverage, if a beverage is desired.
6. Building User shall create dated attendance logs with contact information including telephone numbers at each meeting/event, to be made available to the Larimer County Health Department for contact tracing if an attendee tests positive for COVID-19. Immediately following the meeting/event, the list must be left at the church office.
 - a. To maintain anonymity: Have attendees write their name & phone number on a piece of paper. Provide extra pens or a way to sanitize pens between each user. That sheet of paper can then be placed in a dated & sealed envelope, to be opened only if there is a need to alert attendees about possible exposure at the meeting they attended. After 6 months, the church office staff will shred or safely discard the sealed envelope unless otherwise directed by the Larimer County Health Department.
7. Building User shall complete the post-meeting cleaning checklist provided in the meeting room and return it with the meeting attendance log.
8. Building User shall contact the Health Department if any attendee contracts COVID-19.
9. Building User shall immediately notify the church office staff if Building User becomes aware that any attendee(s) is, or has had contact with, an individual exhibiting symptoms associated with COVID-19, an individual who has been advised to self-isolate or quarantine, or an individual who has tested positive or is presumed positive for COVID-19, so that CUMC may take appropriate action, including, without limitation, changing or suspending Building User's use of CUMC's premises in light of CDC, Health Department, or other applicable agency guidance.

10. Building User understands and acknowledges that in occupying CUMC premises, Building User's attendees may come into contact with children, families, employees, invitees, members, and other individuals who are also at risk of community exposure to COVID-19. Building User understands and acknowledges that no list of restrictions, guidelines, or practices will remove 100% of the risk of exposure to COVID-19 as the virus can be transmitted by persons who are asymptomatic and before some people show signs of infection. Building User understands that it plays a crucial role in keeping everyone at CUMC safe and reducing the risk of exposure by following the practices outlined above.
11. Building User covenants and agrees that it will indemnify, defend and hold harmless CUMC and all of CUMC's affiliated, related, or connected entities, including, without limitation, the Mountain Sky Conference of The United Methodist Church, their owners, trustees, directors, managers, bishops, district superintendents, pastors, ministers, volunteers, agents, attorneys, past and present supervisors, employees, members, and insurers from any and all claims, including, but not limited to, claims related to COVID-19 or other illness or exposure, claims for bodily injury or property damage, liabilities, losses, damages, fines, costs, fees, and expenses, including attorney's fees and costs (both at the trial and appellate levels), arising out of or in any way relating to the activities of the Building User upon the property of CUMC, including without limitation claims of third parties for property damage or bodily injuries and any and all expenses or obligations including reasonable attorneys' fees and costs.
