

## Supporting Christ United Methodist

We appreciate your gifts more than ever and wish to make it easy for you to donate.

Here are some ways to give from your bank account easily and without much effort.

**ACH transfer:** There is a form that is available at the church office that Debbie can email to you. It has to be filled out with your bank account routing and number, as well as the amount and frequency of your gift. These deductions will be made once a month on the 15th, pulling from your account to the church's account automatically. Contact Debbie at: [info@cumc-fc.org](mailto:info@cumc-fc.org) or by phone, (970) 226-2341 for that form.

**PayPal:** On the Church's Website (<http://cumc-fc.org/>) click on the Giving menu, then scroll down and click on Make A donation. This will take you to a PayPal screen where you can give either using PayPal (you will need your own PayPal account, which is tied to your bank) or using a Debit or Credit card. (If you give by credit card, you DO NOT need a PayPal account). While there, you can mark that you'd like this to be a monthly donation. Money that comes in through PayPal is transferred to the church's checking account and a list of all the names and amounts is used to update your record. There is a small fee for this that is paid by the church.

**Bill Pay through your bank:** You'll need a login and password to access your bank account. Most banks today, including credit unions have a Bill Pay option. You need to set up the church as a "Payee / Vendor". You'll need the church's full name and address:

Christ United Methodist Church  
301 East Drake  
Fort Collins, CO 80525

When you use Bill Pay, your bank will print a check and mail it to the church. The check will show that it is coming from your bank account so you will get credit for the gift.

Through bill pay you can make a one-time payment on any date on the calendar, or set it up to pay this amount weekly, monthly or a variety of time options. And if you set it up to be an automatic payment, you can change the amount or date at any time.

**Write a check and mail it:** This is a great way to give, but it does require an envelope and a stamp. When you let the bank print and send the check, they don't charge you for postage.

We encourage you to remember your church's financial obligations and if you have any questions on how these options work, please reach out to me. Thanks,

Joyce Lathrop  
Finance Chair
