THANK YOU

THE SHEPHERD'S VOICE: A WORD FOR THE WEEK

What does the God who created you, who came to earth and gave himself up for you, want you to know about Him? What does he want you to know about your community, the people you really live with? What does God want you to know about raising your family? What does He want for your children, for your spouse? What does he want for you? Maybe you should ask God. May God be the influencer in your life that creates and breathes life into you, a new person. Take a deep breath and know that God lives and breathes in you. You are the light of the world. - Blair
