

Amy Tomb grew up in Jackson Parish in North Louisiana. She graduated from Quitman High School in Quitman, LA in 1998. She graduated from the University of Louisiana at Monroe in 2003 with a Bachelor of Business in Accounting. After working in accounting for a year at Central Oil & Supply in Monroe, LA, she returned to school to pursue a nursing degree. In 2007, she received a Bachelor of Science in Nursing.

Amy worked as a registered nurse at Lane Regional Medical Center and Cardiovascular Institute of the South in Zachary before returning to school to pursue a Master's degree. She graduated from Southeastern Louisiana University in 2011, with a Master of Science in Nursing. Amy is certified by the American Academy of Nurse Practitioners. She is also licensed as an advanced practice registered nurse and registered nurse. Amy works for Louisiana Internal Medicine Associates as an Adult Nurse Practitioner.

Amy resides in Jackson, LA with her husband Jason and their three children, Madeline (8), Abigail (6), and Samuel (3). Jason is a 1998 graduate of Centreville Academy and works at Exxon Mobil Chemical Plant as a first line supervisor. Madeline and Abigail both attend Centreville Academy. Madeline is in the 4th grade and Abigail is in the 1st grade. Madeline enjoys participating in Little Cheer Camp, Peanut Cheer, basketball, and Dixie Baseball. Abigail enjoys participating in the Little Cheer Camp, Little Dribblers, and Dixie T-ball. Amy volunteers for the book fair at Centreville Academy and enjoys participating in her children's school parties and field trips. Amy and her family attend Jackson United Methodist Church.
