

# DIVORCE *Care*®

Separation and divorce is a challenging and painful time. The isolation and unanswered questions about issues never encountered before lead to confusion and frustration.

DivorceCare is a weekly support group for men and women who are currently separated or divorced. The group provides a safe place for individuals to ask questions, seek support, and gain skills needed to restore their relationship with God and rebuild their lives.

Each DivorceCare session includes a video seminar featuring top experts on divorce and recovery, group discussion, and opportunities for members to share personal testimonies about what is happening in their lives.

Join us on **SATURDAYS**
