### **The Israel Story Bible Study (Heritage Room)**

A look at the bible from Genesis to Revelation as God's story of creating Israel, sending a Messiah to the Jews who rejected Yeshua, the birth of the church and the evangelization of the Gentile world. This study will be using the Right Now Media video bible study by John Myers (a pastor in Israel) entitled "The Israel Story." This will be an in-depth biblical study about what God has done in raising up a people called Israel and how we, as Gentile believers, have been grafted into the holy covenant of God and the new covenant we have through Christ. The class is meant for 21 weeks of ongoing study (spring and fall), and will cover two-thirds of the book in the spring, then the remaining 1/3 in the fall.

Led by Pastor Rick. Please contact Pastor Rick to order the study guide at [rick@fmcbyan.org](mailto:rick@fmcbyan.org).

### **Adult Bible Study (Mary Porter Classroom, C111)**

For the Spring semester, Pastor Jeremy will be leading the Adult Bible Study with a course called "emotionally healthy spirituality." The premise of this course is based on a simple idea: you can't be spiritually mature if you're emotionally immature. In this class we'll look at how these emotional barriers prevent us from deeper relationship with the Lord as we examine ourselves to live into deeper freedom. This class has a book to read along with some reflection questions during the week. Please let us know if you're interested in taking this class.
