

Children's Sunday School

ALL CLASSES MEET AT 10:00 a.m.

Our 4 Year olds use the Celebrate Wonder curriculum from Cokesbury. The children learn Bible Stories and make a fun craft or do stickers. At this age, they still get some time of free play.

The Kindergarten-5th grade use the D6 curriculum. The lessons teach Bible basics and encourages the children to put God's Word into practice. We split the classes into 3 groups: Kindergarten and 1st Grade; 2nd & 3rd Grade; and 4th & 5th Grade.

The 6th Graders are going through our Confirmation program. In Sunday School, they have lessons about church history, the basics of Christianity, and history of Methodism.
