Lottie Moon Christmas Offering 2025

100% of the Lottie Moon Christmas Offering enables Gospel transformation among the unreached. In 1873, Lottie Moon was appointed as a missionary to China. She spent almost 40 years sharing the Good News with love, courage, and faith. Her letters home inspired churches to pray and give, leading to the Lottie Moon Christmas Offering for International Missions. Today, this offering supports missionaries and helps take the life-changing message of Jesus to the nations. This year's national goal is \$210 million. The week of prayer for the offering is Nov 30-Dec 7. Please pray for IMB missionaries and your church's offering during your worship services.

COOPERATIVE PROGRAM

Cultivating Hope in a Critical Season

As we enter this Christmas season, Hope Pregnancy Center is seeing God move in powerful and urgent ways. Every week, more abortion-minded women are walking through our doors—women who are overwhelmed, afraid, and searching for truth, compassion, and real help. The urgency to share the truth about abortion has never been greater. Women right here in our own communities are taking the abortion pill at rapid and alarming rates, often without fully understanding the physical, emotional, or spiritual impact. We consider it a sacred responsibility to meet them with truth, grace, and the hope of Christ.

At the same time, our Empowered Parenting classes are growing quickly. What began as a small group has multiplied into a vibrant, life-changing ministry where moms, dads, and entire families are gaining wisdom, support, and confidence. We are witnessing generational healing, restored identities, and families being strengthened—one Thursday night at a time.

We are deeply thankful for the churches of the Enon Association. Your prayers, financial support, volunteer involvement, and unwavering encouragement have carried us through this year. Because of your partnership, women are hearing truth, babies are being saved, and families are being disciplined and equipped for a healthier future.

As we look forward to the new year, we appreciate your continued support. Together, we will keep standing for life, strengthening families, and cultivating the hope of Christ throughout our communities.

Every heartbeat matters to God,

Leanne Martin, Director-Hope Pregnancy Center, Ardmore
