

Mega Kids Camp Early Bird Registration Temporarily Delayed

Dear Friends of Mega Kids Camp,

2021 Mega Kids Camp Registration was set to open this Saturday May 1. This correspondence is to inform you that there will be a **temporary delay in early bird registration**. The delay is a result of the recently issued CDC Guidance Protocols for operating summer camps during Covid 19. Your Mega Kids Camp team is reviewing the CDC Summer Camps Manual and developing a plan to adhere to the guidelines while still offering the best camp experience possible.

Your Mega Kids Camp team is committed first and foremost to the safety of our campers. This has been our priority from day 1 of our camp 9 years ago when it all began. The worldwide pandemic certainly poses new challenges for us in how we run our camp, but we strongly feel we can overcome them. We know we will have to make adjustments, but we expect Mega Kids Camp to continue to be a dynamic, memorable, and safe experience for our campers despite Covid 19.

Be rest assured, unless the pandemic worsens, or other Kids camps set for June and July (before our camp) encounter health safety concerns, we fully expect to offer Mega Kids Camp July 26-29. One distinct advantage for Mega Kids Camp 2021, is that our camp is scheduled later in the summer where we can assess the summer camp season health results before our camp kicks off July 26.

We will contact you again either electronically or by snail mail **very soon** with the early Bird registration date, the 2021 Camp tracks we plan to offer, and our Covid safety plan based upon CDC guidelines. **We hope this information will be available to you in a week or two at the latest, so please hold the date of July 26-29.**

It is our hope and desire that you will be pleased with the measures we will set forth to protect your children while offering them the Mega Kids Camp that they have come to love and enjoy.

Thank you for your trust in us over the years. Your patience and prayers would be most appreciated.

In Jesus our Champion,

Jim Klepper and Clancy Craven
