

Hey Missions,

We've seen God moving in amazing ways on campuses this year! We're not even two months into the school year, and we've already seen many answers to prayer! Be encouraged by these messages coming in from campuses around the region!

@UW Madison - My friend Kam, from the golf team, accepted Christ yesterday! She has been interested in spiritual things, but after sharing the gospel, she wanted to make the decision herself. She said, "Wow, it's crazy how just a few words can be so powerful!"

@UMN Duluth – McKenna, a freshman in my Bible study, accepted Christ today! I shared the gospel with her last week, and she said she was hesitant to say yes to Jesus back then, so I asked if I could follow up in a week. Today, we met again, and she was ready to say yes!

@South Dakota State - God has been answering prayer in the past week, a senior on the fringes of our ministry, faithfully pursued by Navs students for years, and finally gave in to God's offer of salvation!

@South Dakota State - Elijah (a sophomore) and I do walk-up evangelism every Tuesday, and this week we met Kennan. We shared a gospel illustration, and he admitted that he didn't have a relationship with Jesus but wanted one. I

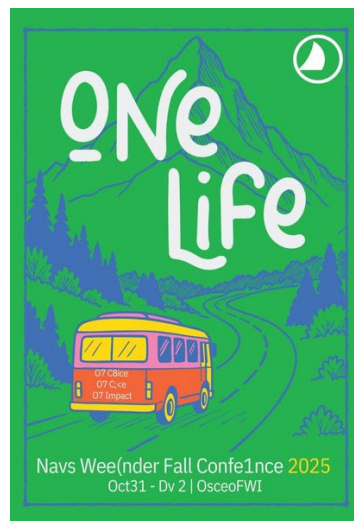

asked what was holding him back, and he couldn't identify anything. I suggested that maybe he was waiting for a spiritual or emotional assurance that God was there, but God only gives his spirit to those who ask Him to in Faith. That cleared the obstacles, and Kennan prayed to receive Jesus with tears in his eyes.

@UMN Duluth - Alex is a freshman in our Bible study. Last week, a couple of student leaders and I shared the Gospel with him. And the Lord had it on his mind during the week. Last night we had a Nav Night, and he confessed Jesus as Lord after!

@UMN Duluth - Paul (a student leader) and I did cold contact evangelism yesterday. We shared the Gospel with Zar, and he received it with joy! Paul prayed with him to accept the free gift of salvation that Jesus offers! Zar is now excited to join our Bible study! Praise God for his wonderful works!

Weekender 2026

Our regional fall student retreat is coming up Oct 31-Nov 2. It's an annual event where we gather a couple hundred students from 10 campuses in the Upper Midwest. Would you join us in praying for each student to encounter Christ, experience His love in community, and be empowered to live on mission with Him back on campus!

Summer Training Program '26

For the last 6 months, we've been *asking, seeking, and knocking*, and we're thrilled with the "home" God's provided for our new Summer Training Program on [Lake Geneva](#). Please join us in prayer for students to begin signing up for this incredible disciple-making experience!

Seminary Update

We're now in our third trimester of school, and though it is a lot of work (!), we are hungry for the content we're receiving. We're learning practical counseling skills, understanding various disorders that affect people, and continually reflecting on how to integrate these skills with our faith and ministry background. We are grateful to be learning these skills in a seminary context, where theological integration is so key to our learning. Our professors and classmates are edifying us, and we're excited to see the direction the Lord will direct us as we keep going. We're on year 1 of 5, so we appreciate prayer for stamina!

Thank you! We're so grateful for your prayers and support.

Much love,

David & Cassie
