what we are about:

- **Our great desire at NFBC is to be like Jesus!**
As we look at His life we see three great loves...
- **Jesus loved the Father (UP)**
We express this through devotion & worship
- **Jesus loved those he invested His life into (IN)**
We share in this through teams, groups & classes
- **Jesus loved the world and those far from God (OUT)**
We live this out through a variety of ways to give

North Central Indiana Teen Challenge

Today we welcome the students and staff of North Central Indiana Teen Challenge, including our own Dale Borkholder. North Central Indiana Teen Challenge is a 12-18 month faith-based discipleship program for men who are 18 years and older. Each day students participate in devotions, Bible and life-skills classes, work duties and a church-related event. Throughout a student's stay, he is educated on morally upright behavior and learns to deal with situations he faces and the emotions that come with it, without running to substances as an escape. They will be partnered with a mentor who has been through addiction and can help them one on one with their growth. Our goal is to put hope within reach of every addict by offering life transformation through our Christ-centered program. Through our proven solutions for life-controlling issues, our mission is to see every Teen Challenge student become a productive member of society, mentally sound, emotionally balanced, physically well and spiritually alive.

Prayer List August 19-25, 2017

The following is a listing of current prayer concerns and praises listed on the prayer page of our website. This page is regularly updated and is password protected. You may access it using the password: lifeline.

Please lift up **Ken Tener** for healing. Earlier this week, Ken was in an automobile accident and he totaled his truck. In the midst of that accident, he hit a buggy - praise the Lord, the mother and 2 children were unhurt. Ken sustained some injuries , was checked out at the ER and returned home Saturday night. He will have some follow up on injury to his knee. Please pray for Ken's recovery. **Update on Ken Tener:** He is recovering at home but is still very sore. He is praising the Lord for all the protection in an accident that could have had much worse consequences.

Gail Hertsel has asked for prayers of intercession and healing for her **father, Bob Mesko**. Bob has been admitted to South bend memorial and is currently in isolation, until doctors know exactly what they are dealing with in his condition. He came in with fever, severe head pain, and was dehydrated and disoriented. Initial thoughts are he is suffering with a virus that will need to run its course. But they are still waiting on cultures to reveal their results.

Please keep lifting up **Jamei Boyer**. The double treatments have been extremely difficult for her. She was admitted to the hospital earlier this week with a fever. Her White blood cell count is low and they are having a tough time getting her levels back up. They have started her on a bone marrow stimulator and antibiotics. Could use prayer for healing and strength. Also, her daughter has set up a go fund me page for her to help with medical and living expenses, as she's going to be off work for quite some time. You can donate to www.gofundme.com/jameib . Also feel free to assist Jamei and Jeff in any way the Lord is prompting you.

Continue to remember **Sandy Toney** as she continues to heal from her cancer surgery and treatments.

Praise the Lord - **Bruce Wells** completed his radiation treatments this week!

Mary Crowe is adjusting to life in the Miller's Merry Manor rehab unit and is a diligent patient. She appreciates the time with her sister, **Rita Moore** in the evenings who is also a resident at Miller's. And please continue to lift up our third resident at Miller's as well, **Jean Roose**.

Please feel free to use our prayer room (in the North West corner of the Worship Center) after worship services and during the week. Contact one of the Pastors for the lock code, if you wish to use the room after office hours.
