APA Mission

The mission of the Administrative Personnel Association is to offer opportunities for professional development and personal growth for those called by God to serve as support staff of the PC(USA). We accomplish this by providing continuing education events for certification and occasions for fellowship, worship, spiritual nurture, and prayer at national and regional conferences as well as at seminary sponsored training events.

Purpose

The purpose shall be to provide a supportive organization for promoting continuing education, individual growth, communication, and fellowship for its members; to deepen and strengthen lives spiritually and professionally, and to work for the mission of the church universal.

APA Membership

Those eligible for membership in APA include non-ordained staff of Presbyterian churches or agencies, including secretaries, clerks of session and other administrative and/or daycare staff. Dues and certification fees must be paid before any classes count toward your certification, and they must be paid annually.
