

Holy Spirit Anglican Church is a local body of Christian believers of varied backgrounds committed to sharing our love for Jesus Christ and our excitement and joy in God's presence, worship and work. We are impelled to share this excitement and joy with all who are open to change, discovery and growth in their lives. We are also committed to personal growth in our understanding of, relationship with and service to Jesus Christ.

All this we make apparent through:

- 1) gathering regularly for joyous, structured and enthusiastic worship;
- 2) daily, deliberate congregate and individual prayer;
- 3) regular group and individual study, exploration and living out of God's Word, the Bible;
- 4) regular, Christ directed service in our community

The Anglican Church in North America

“Reaching North America with the Transforming Love of Jesus Christ”

We are Evangelical

We believe that the Bible is the Word of God and that it has unique authority in our lives, and that we are called to share this Good News with everyone.

We are Liturgical

We are part of a worldwide church in a shared way of worship and the celebration and sharing of the Sacraments.

We are Charismatic

We believe that the Holy Spirit is active today, manifesting His Gifts in the Church and in the world and calling us to love our neighbors as ourselves.
