Church Planting, Soul Winning, Bible Translating

Deputation Update:

Three new supporting churches! By God's grace, we've got almost all of June filled with good appointments in Oklahoma, Texas, and Kansas. We'll be in Houston in July, Virginia in August, and Georgia in September and October. Please continue to pray that God will provide wonderful appointments, and that we will be a blessing and help to every church we visit.

Evangelism Highlights:

We went soul winning with a wonderful pastor and his family in Texas at an apartment complex not too far from the church. The office sent the maintenance guy to ask us to leave. So I went to the office to witness to the manager and secretary. They were nice for the most part, but not receptive. However, while I was talking with them, Sharon was able to knock a few more doors and led a sweet, young lady named Sara to the Lord! AMEN!!!

May was a good month for soul winning: 22 souls put their faith in Jesus as their Savior! My children led 16 to Jesus Christ!

Thank You for Praying for Us!!!

We were involved in a frightening accident last Friday. It had rained recently, but the clouds had cleared and so the flow of traffic was at normal, high speeds and fairly dense. As I was getting into the right lane to prepare for the upcoming exit the traffic in that lane halted (there was a wreck that just happened), so I immediately returned to the lane I was coming from as I applied the brake and then a car pulled out in front of me so I slammed on the brakes and our van turned completely sideways and took up two lanes! Time seemed to slow down, and I remember thinking that if our tires were to regain traction while sideways at that speed then we'd likely flip and end up in a massive wreck in the middle of the highway. Miraculously, it was as if God grabbed our van and straightened it out. I did sideswipe a beautiful, new, white pickup truck, so I pulled over. We couldn't see a scratch on his truck! PRAISE THE LORD!

PRAYER REQUESTS

Journey Mercies

Please continue praying for God to protect us. I firmly believe with all my heart that we're still here because of the effectual fervent prayers of God's people—because of YOUR prayers! God did the protecting, so the glory is His, but thank you for praying!

Vehicle

A good friend found us a van. 15-passenger, 2001 Chevy Express, in good condition. The price has been reduced recently to \$5,400. Please pray that if it is the van God wants us to have, then it will not sell until I can make a move on it; and if it is not the van God wants for us, then it will sell soon so I can look at another.

Three MacBooks for Children

Please pray for God to provide three MacBook Neos (\$499 each) for our children to use for school.
