

MISSIONARY REPORT MAY 2026

Outreaches and Activities

April 30–May 5 – I preached evangelistic messages on several occasions during the funeral services held at First Lipa MBC for Sister Joyda Bantayaon. The first message was preached on April 30, followed by another on Sunday evening, May 3. That evening, many visitors attended the service. I had the opportunity to personally approach and share the gospel with two groups of relatives. The final message was preached on Tuesday afternoon, May 5, during the burial service. May 9 - We have new contacts through sports outreach in Taguig.

May 10, I taught Sunday School and Preached at Fellowship in the Word MBC. In the afternoon we had fellowshiped.

THE NATIONAL YOUTH CAMP 2026

May 11-15, we attended the PMBYF 2026 National Youth Camp. I lectured for two days on Discipleship during the leadership Class, May 13 and 14. As a camp director, I got busy in supervising the youth and conducting the nightly meeting and evaluation. The Youth officers were active and did well their tasks. Every night was well-organized with music, talent presentations, and great preachings. The registered campers reached about 436, but during the evening activities, there were about 500 people. The youth as well as the young in hearts, enjoyed so much the national youth camp. They gained a lot of friends, and the relationship was made stronger. Young people, Pastors, and churches were encouraged to attend the next PMBYF 2027. The National Youth Camp made a great impact and it was a great success.

TRAVEL TO BICOL

May 15 – 18, the National Youth Camp 2026 ended after lunch time. On May 15, after lunch, we travelled back home for about 7-8 hours. We reached home about 10 pm. We slept for a while and in the morning, prepare ourselves for another long travel to Sipocot, Bicol Region for the wedding of Sister Julie and Brother Gerald. We travelled for about 12 hours, and reached the destination about 9 pm. We held a worship service in the morning and in the afternoon, was the wedding where I had the opportunity to share the word of God. On Monday, 18, I had again a long-hours of driving back to Cavite.

THANKSGIVING OF MISSIONS

May 30, we had thanksgiving of Missions. It was also an advance birthday celebration. Brethren from Bicol such as Albay, Tiwi, Trece, Makati, Lipa, and Rizal gathered for fellowship, mission presentations, and exhortation from God's words. There were also musical special numbers. I thank the Lord for the fellowship, messages, and the support of the churches and some individuals for this event.

PRAISES AND PRAYER REQUESTS

- **Praise God** for the great success of the national youth camp, PMBYF 2026. The youth officers and coordinators executed well the program. The first night was beautiful choir presentation from different churches. The second night were talent presentations from delegates divided into four color groups. Some presented special talents of playing instruments like flute, saxophone, guitar and violin. For 3 nights, there were great preachings. The last night was a challenge night, and after the preaching many came forward with renewed commitments. The youth officers and camp leaders did prepare well, and hoped for the best results and God was so gracious that our attendance reached about 500, and the impact was great that it encouraged many to attend for the next camp.
- **Praise God** for keeping us safe in our travels. From Baguio, after the camp we went to Bicol, another long travel. Our bodies, though exhausted, yet keep going for the Lord.
- **Praise God** for the churches here and some individuals who contributed for the thanksgiving of missions. The food and the venue were provided. God is great.
- **Please pray** as I help coordinate for the Pastors and Workers Fellowship to be held in Cagayan, part of Mindanao. The target date for the fellowship is September 2026, first week.
- **Pray** for the churches and outreaches. Pray also for the church in Buhangin, and the strengthening of the members.
- **Pray** for our plan to visit again New Zealand, to follow up the contacts whom we shared the word of God.

In His service,
